

Locating ACT EOC Resources Quick Reference Card

Locating ACT EOC Resources

Audience Roles: Teacher, Leadership, Staff

Use the Instructional Materials search tool to find ACT End-of-Course (EOC) resources.

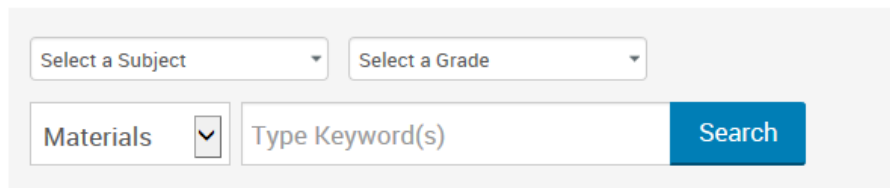

Searching for ACT EOC Resources

Note: When you conduct a search, the subjects and grade levels you teach are selected by default. Check the box next to **Select All** for **Subject** and **Grade** to search for all ACT EOC resources.

To search for ACT EOC Resources:

1. Roll your cursor over the **Classrooms** header and click **Instructional Materials**

Instructional Materials

Select a Subject Select a Grade

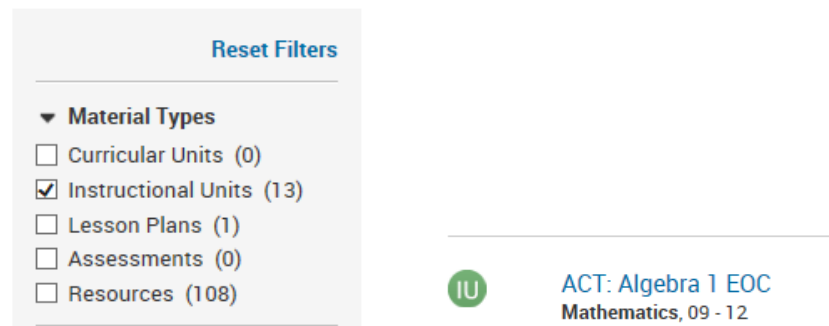

Materials Type Keyword(s)

2. In the **Type Keyword(s)** text field type **ACT EOC** to search for all ACT EOC resources that are available

Note: To search for a specific EOC subject type using the following example for Algebra 1, **ACT: Algebra 1 EOC**

3. Click **Search**

4. On the **Search Results** page, filter the results by checking the box next to **Instructional Units** for the **Material Types** in the left column
